CLIENT TESTIMONIALS

"Absolutely amazing! Blown away by how supportive the event coordinator & all the staff were. Very proactive, well mannered & accommodating to all requests.

The facility was incredible! Had everything we could ever imagine for a ceremony & reception centre.

Flexible on all things & very easy to work with to get external vendors organised & to coordinate with them all.

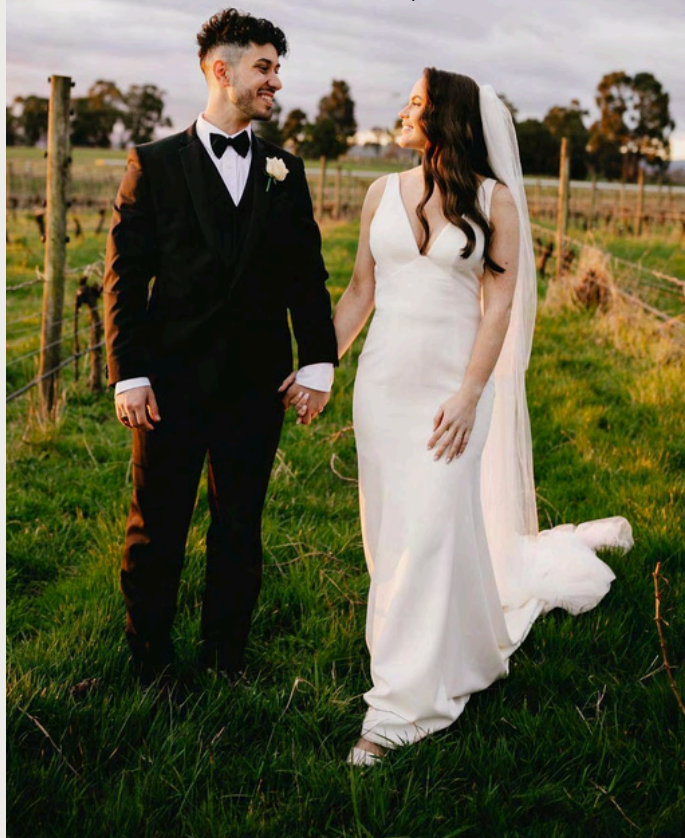

Plenty of space throughout the ceremony, canapés & reception.

Our wedding looked incredible on the day/night, and everything went flawlessly thanks to all of the staff.

Could not recommend Rochford highly enough!!!

Plus your guests will love the scenic views the winery offers!"

-Fiona & Joseph

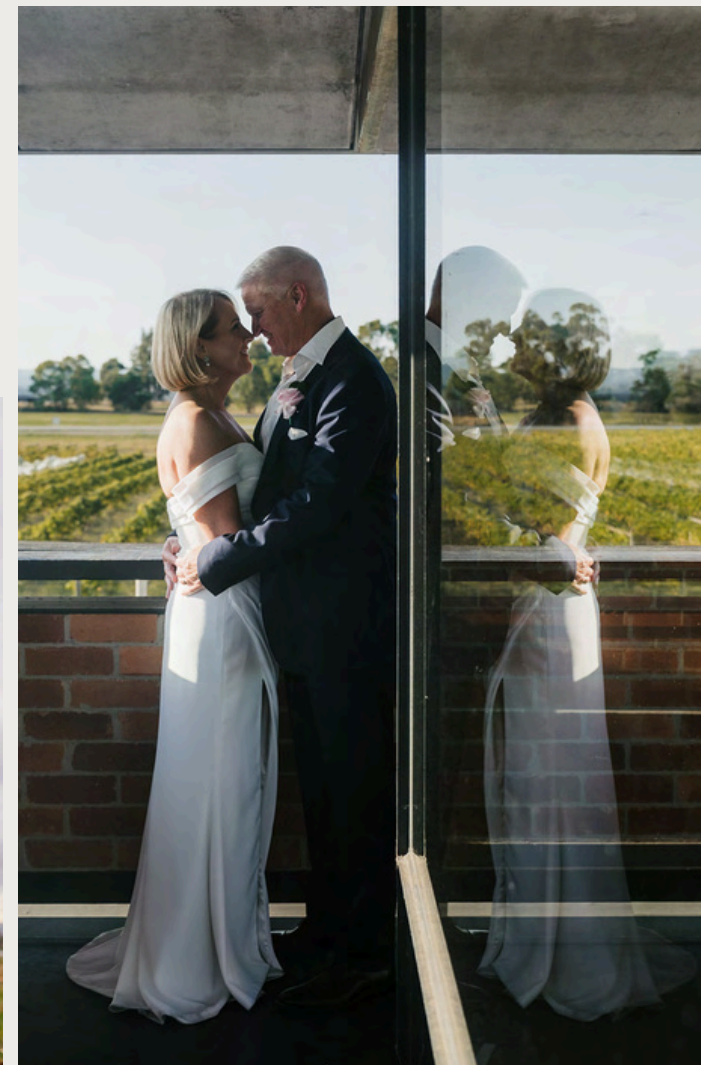

"Our experience at Rochford Wines was nothing short of spectacular, thanks to the seamless planning & exceptional service provided by Nicola and the entire team.

The venue itself is breathtaking, with its elegant facilities & picturesque vineyards, providing the perfect backdrop for our special day.

Our guests were not only impressed by the stunning surroundings, but also the outstanding quality of the food & of course, the delightful wine selection.

Rochford's commitment to excellence was evident in every aspect of our event. We wholeheartedly recommend Rochford to any couple seeking a stunning venue with exceptional service."

- Chloe & Lachlan

"Our wedding was everything we wished for & more.

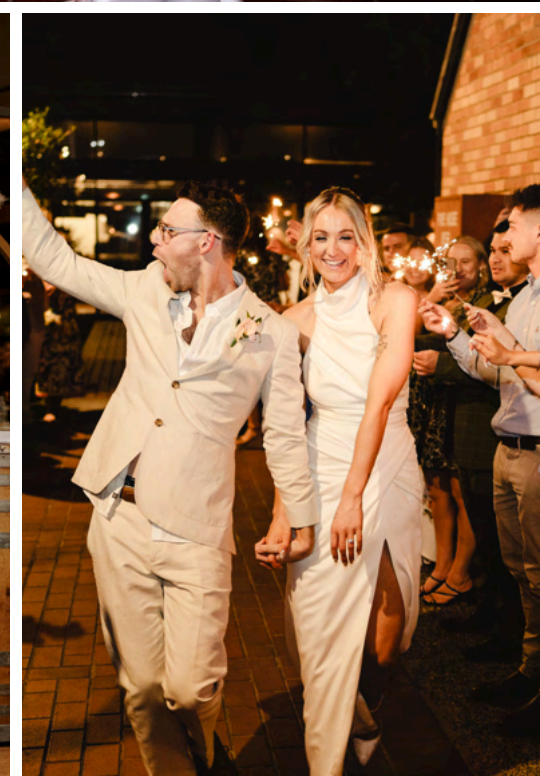

Nicola, you were amazing and your assistance on the day to the Bridal party and guests was fantastic. Due to extreme heat conditions you advised us to move the ceremony area to keep us all in the shade which was just perfect.

Rochford's chef was obliging in changing a few things on the menu and we really appreciated everything that was altered to help make our day terrific.

The building & surrounding areas allowed the photographer to take beautiful photos near the vines, the grounds, the spiral staircase and inside the restaurant.

We would highly recommend the venue to anyone!"

- Lyndel & Mark
